## Aztec Facilities Management

Aztec Facilities Management (AFM) is a Total Facilities Management company based in Swindon Wiltshire. AFM provides an extensive range of facility solutions that offer both public and private businesses in the industrial and commercial sectors a unique customer driven property maintenance service.

As an established business Aztec Facilities Management can provide valuable property asset management and service delivery solutions so that our customers can concentrate on their core business. We are committed to building long term relationships with our customers making working together easy and effective. Our unique service means that our customers get real quality projects and maintenance delivered on time with improved cost efficiency. As a single source South West contractor with our tradesmen in house, we can cover any aspect of maintenance from regular planned preventative maintenance to 24/7 call-out emergency breakdown maintenance.

### A personal approach to Total Facilities Management

Working with Aztec Facilities Management is straightforward and rewarding. With one single point of contact taking care of your **electrical**, **mechanical** and **building projects**, you won't just save time managing multiple suppliers. You will also save costs from using numerous providers.

### Meeting the needs of every sector

Our expertise and experience in a wide range of **facilities management projects** means we can satisfy all your specific needs. After assessing your requirements and situation, we will create an individual package of services just for you. This cost effective portfolio of solutions will effortlessly manage and maintain your assets, including managing the project to completion.

### Make contact today

With Aztec Facilities Management, there are no standard solutions. Just exceptional Total Facilities Management services designed around you. To find out more, please call our Swindon office on **01793 878538** or [email us](#) today.
