AFM Security Systems Ltd

L&J Mechanical Services Ltd

School Building Maintenance

AFM have a team of qualified, skilled and CRB checked tradesmen with years of experience working in schools.

Whether your school building needs a minor repair, maintenance, or a major refurbishment or extension you can trust us to deliver consistently exceptional solutions. Unlike many of our competitors our team of tradesmen are directly employed giving you the security and consistency others can not.

Our policy is to always provide a quality service, on time and to the agreed budget. We aim, as an absolute minimum, to meet our clients' expectations – and constantly strive to exceed those expectations. This is achieved through our responsive and professional approach to each project.
