## AFM Security Services

Our sister company [AFM Security Systems Ltd](#) is a rapidly growing security company that provides customers with the very best in security system design, installation and maintenance.

Our team of security-vetted surveyors and engineers have over 25 years industry experience and are therefore fully equipped to provide our customers with the very best in customer care.

We strongly believe we can out-perform any of our competitors in the most cost-effective tailored security solutions to meet each specific requirement and budget.

AFM Security Systems Ltd provide a FREE site survey and a FREE no obligation written quotation. We will also promise to match or beat any like-for-like written quotation.

We provide all our customers with a 24-hour emergency call-out service, so whether you require an engineer to repair a fault or simply need advice on your security system, you can contact AFM at any time night or day.

### We provide, install and maintain the very best in:

- Intruder alarm systems
- Fire alarm systems
- Closed circuit television
- Access control
- Locksmithing
- Gate design & automation
